ASSISTANT PRINCIPAL'S REPORT

Mr. Neu reported information on recruiting and the upcoming freshmen. At this time 68 students enrolled in the Business Academy, 85 in the Biotech Academy, 113 in Communications and 48 in the Kenosha Military Academy.

This is right around where we are at this time with the current freshmen.

Enrollment numbers have been steady year after year so that is encouraging.

The recognition program is being utilized. The teachers are working on raising funds on their own for "Gotcha Tickets." These are given

out to students for doing a “kind deed”. Tickets are handed out to be redeemed at lunch.

OLD BUSINESS

Tastefully Simple will be at conferences February 21st.
PTSO will provide the staff with bottled water and mints.

February 23rd is Winter Formal, PTSO will provide the snacks.

The Dodge Ball Tournament has been rescheduled to March 7th. The school store will be open so the PTSO will not need to provide food. We will need volunteers to chaperone.

The Volley Ball Tournament is scheduled for March 14th, chaperones will be needed and PTSO will be serving food.

Teacher Appreciation is quickly approaching. We will be giving teachers dry erase markers. We already have some donated. We have around 73 teachers. Other staff members will receive something else.

Recognition for 4 year perfect attendance was discussed. Mr. Neu said the research is being done to obtain data needed and to make sure it is accurate.

NEW BUSINESS

Graduation is at Bradford again this year with the reception to follow back here. This year the Senior class is around 195. Kathy will call Barb Sucevich to check for an accurate number.

At the April meeting we will need to set a date for the Craft Fair.

Marcia Linn made a motion to skip the March meeting and Stacey Glidden seconded. Motion approved.
