PTSO

Thank you!

PTSO has lots of things to be thankful for this month:

- All the help with the Craft Fair
- All the delicious treats for the craft fair bake sale helping the school newspaper
- Homecoming chaperones for the football games and the dance
- All the great treats for the students to enjoy at the Homecoming Dance
- All the supporters of the craft fair who came and bought things from the venders
- All the buyers of Tastefully Simple products at Parent Teacher conferences
- All the new members of the PTSO

Tastefully Simple

We hope you enjoyed all the samples at Parent Teacher Conferences. Because of your generosity in purchasing items, we were able to add \$115 to our funds to help the school. The demonstrator will be back at the second semester conferences if you missed her this time.

Craft Fair

We are very excited about how well our first attempt at a Craft Fair went. We had twenty-seven spaces sold to venders. The feedback was mostly positive about how well things went. We will add more advertising for next year's fair.

Thank you to the custodians for all of their help and Mr. Keckler for setting up music for us. Special thanks to the Student Council who organized activities for the children and helped crafters bring their merchandise into the building. We heard many positive things about how kind and respectful the students were.

Upcoming Events

December 15 – Santa's Workshop – We will need donations of juice boxes and cookies. We will also need small toys and candy for game prizes. Student Council sponsors this free event for children in the Community. More details will come later.

Quick 50

PTSO once again made a donation to help this program that helps keep drugs and weapons out of our school.

Easy Ways to Support PTSO

If you shop at Pick N Save or use your Target Visa card and make Indian Trail your choice for reimbursement, we receive a percentage of the money you spent. See the web site for details indiantrailacademy.com

CHANGE OF DATE FOR NOVEMBER PTSO MEETING

The PTSO meeting scheduled for November 14th has been change. We will meet on Wednesday

November 28th at 6:30 in the Biotech R & D.
